We have established an agreement with US Communities Government Purchasing Alliance to allow purchases from their cooperative contract with Home Depot. It is the buyer's responsibility to ensure this contract is not used for required competitive process items or as a substitute for other required purchasing approvals as required by Mississippi law. These items include, but are not limited to, Electric Lamps, Ballasts, Air Conditioners, Paper Towels and Toilet Tissue. Only those items with a net cost of \$25,000 or less are included in this agreement. This contract was approved as another option for agencies to save money on building supplies not currently covered by our competitively bid contracts, and provides that the provisions thereof may be available to any county, municipality, school board or other local public agency or authority of the State of Mississippi which may elect to purchase at the prices, terms and conditions of sale specified therein. Services and installation are not included in this agreement.
